

SPEN KING TRIBUTE RUN

Saturday 21st August 2010

This run has been organised to celebrate the life and work of one of the British Motor Industry's greatest engineers, who sadly passed away at the end of June. 'Spem' King will be remembered with great respect by everyone that drives the vehicles that he helped to conceive, design and develop, and sadly missed.

Full route instructions will be handed out on the day, cars will leave at one minute intervals. This is not a race and you can take your own time to get to the finish. The first car will leave each start venue at 10.30am and we would like the last car to leave by 12.00pm. We have been able to arrange for Rover and other vehicles to start from the Damson Lane entrance to the Land Rover plant in Solihull, directions to the start will be sent out closer to the day. Please note no dogs or children under 12 are allowed out of vehicles at this site – it is a factory. Triumph vehicles will be leaving from the Standard Triumph Club, Herald Avenue, Coventry. The finish will be at Gaydon Motor Heritage Centre.

The entry fee is **£10** per car. This is to cover the cost of your rally plaque and to raise funds for the charity chosen by the King family. Cheques made payable to 'Rover SD1 Club'. Please enclose an SAE. There will be one free entry ticket to the museum per car. Entry will be limited to 100 vehicles.
